Dear Parent/Carer

RE: INTERVENTION GROUP MATHS AND ENGLISH YEAR 7 AND 8

As part of the City of Peterborough Academy commitment to providing the best possible education and opportunities for your child we continually assess, monitor and track their performance across the entire curriculum.

During students' first few weeks at the Academy we establish a baseline of ability and potential using GL testing. Where a risk of under-performance is identified, suitable intervention to support the specific need is provided.

As part of this process it has been identified that your child would benefit from smaller, slower paced intervention lessons for both Maths and English. This will take place following the existing timetable and students will not be absent from other subjects. This intervention is designed to consolidate skills learned in Year 6 and to further prepare students for the secondary curriculum. As part of the English curriculum, I will be teaching one lesson of Latin-this helps with the understanding of root words in spelling and vocabulary generally.

Please sign the attached permission slip and return it to me by Friday 14 September so that I can start intervention groups on Monday 17 September.

If you would like to discuss these intervention strategies, please contact me to arrange a convenient appointment.

Yours Sincerely

Miss A Roxburgh
SENDCO

Part of the Greenwood Dale Foundation Trust Group of Academies

The Greenwood Academies Trust is a Company Limited by Guarantee, registered in England and Wales, registered number 06864339.
