Dear Parent/Carer

RE: SAM LEARNING

At school we are always looking for ways to extend our pupils' learning. Part of our improvement programme involves the use of SAM Learning, a unique online service that offers multiple subjects. Studies show that pupils achieve 2 GCSE grades on average better than expected with as little as 10 hours or more use of SAM Learning.

Access Details

Pupils are able to access the service at anytime and anywhere, whether pupils are at school, at home, in the library or community centre. All they need to do is visit the website and enter their unique login details.

Website address: www.samlearning.com

Centre ID:	PE1 CO2
User ID:	Date of birth followed by two initials: first name then last name. Example: 010800DJ is the User ID for David Jones born 1 st Aug 2000.
Password:	Same as the User ID

How to Get Involved

All pupils will be taught to use the service and you might wish to ask them how it works. The service enables homework to be set and marked which means you can easily monitor the progress of your child.

We hope that your child is able to take full advantage of SAM Learning and thank you in advance for supporting the initiative.

Yours sincerely

Mrs M Budner
