

Here at the City of Peterborough Academy, we are pleased by the set of results which our departing Class of 2018 have achieved. The work ethic they showed, combined of course with the unwavering support of their teachers and parents, ensured that they secured outcomes of which they can be proud. I would like to say a personal thank you and well done to everyone.

There were exceptional performances from students across the board, far too many to mention them all individually. However, special congratulations go to top attaining students Ashley McHenry, Joseph Faulkner, Petre Gina, Lina Petrasciuk and Junaid Shabir. I would also like to say well done to the following students who have made significant progress from their start points Olivia McAll, Basit Nayani, Ruqayah Khan, Elvira Berzina, Titus Berzinis and Kirsty Robertson.

Alex Emmerson, Principal said "I am so proud and delighted at the individual success of our Year 11 students. Despite the increasing demands of the new GCSES our students and staff have risen to the substantial challenges set them. I wish our students every success in their post 16 choices and I am sure they will be successful in their future courses and careers."
