Dear Parents/Carers

Re: The Big Bang Fair at NEC Birmingham - Thursday 19 June 2025

I am writing to inform you that your child has been invited to attend The Big Bang Fair at NEC, Birmingham on Thursday 19 June.

The Big Bang Fair is a national celebration of Science, Technology, Engineering and Mathematics (STEM), stimulating young people by delivering fun and inspirational insights into future STEM careers. This event aims to engage students through interactive and engaging activities which involves forensics, food, sports, space, music and molecules.

Students will have the opportunity to speak with working scientists and engineers who will be available to answer any questions that students have about STEM careers. There will also be a large exhibition floor, designed to encourage a journey of discovery throughout the event.

Please note that spaces are limited and will be allocated on a first come, first served basis. We kindly encourage you to respond promptly to secure a place for your child.

Please complete the online form on the link below or by using the QR code by **Wednesday 11 June**.
