Sports Day is a chance for you to show off your skills and spirit as you compete in fun games and races with your friends.

SPORTS DAY

It's all about teamwork, cheering each other on, and having a great time being active.

ACTIVITY DAYS

If a trip receives an overwhelming response and becomes oversubscribed, allocations will be made based on attendance and behaviour.

If a trip reaches full capacity, alternative trip options will be offered to those unable to secure a spot.

WHY ACTIVITY DAY?

These trips are organised to enhance learning experience & foster a sense of community among students.

However, for a trip to proceed it needs to garner sufficient interest. In case of undersubscription, the trip may be cancelled.

HOW'S IT GOING TO WORK?

Students will have the opportunity to select their chosen activity during the week starting 12th May 2025 during tutorial time.

Places are limited on trips. Therefore, where interest exceeds places, students will be selected based on their behaviour and attendance profile.

Once places have been confirmed, parents will receive a letter confirming their child's place and details in how to make payment which will be via our online payment platform Vericool.
