

13 January 2025

Dear Parents/Carers

**Y9 Parents Evening and Options Information 4pm – 6:30pm Monday 20 January 2025**

We are in the process of supporting your child with the options process, whereby your child will be making important choices as to which subjects they will continue to study in Years 10 and 11.

To enable students to make informed choices, they have already attended an assembly, and they have a drop down day planned on Friday 17 January with subject taster sessions. We would now like to invite all parents and students in year 9 to an in-person parents' evening on Monday 20 January at the Academy to discuss the core subjects and options.

On the evening, there will be a presentation to provide information to parents regarding the options process, as well as an opportunity to speak to staff from Maths, English and Science. Appointments to see staff must be made through our School Cloud booking system using the following link: <https://copa.schoolcloud.co.uk>. The system will be open for booking from Monday 13 January.

Timings for the evening are as follows:

4pm	Senior Leadership Presentation 1	Main Hall
4.15pm – 5.45pm	Staff/Parent Meetings Option Subject Information Stalls	Library/Canteen Year 11 Study Area
5.45pm	Senior leadership Presentation 2	Main Hall
6pm – 6:30pm	Staff/Parent Meetings Option Subject Information Stalls	Library/Canteen Year 11 Study Area

If you require any further information or assistance, please contact Mr Hunneyball or Mrs Budner on:
