Dear Parents/Carers

Y11 Parents Evening 4pm – 6.30pm Monday 18 March 2024

We are delighted with the way your child approached the recent set of PPE exams.

Staff are now finalising the marking of these exams. Reports will be given to students on Friday 15 March for you to view their results and a full progress report before speaking to their subject staff during a Parents' Evening on Monday 18 March.

With this being the final Parents Evening prior to Year 11 students sitting their GCSE examinations, appointments will be held in person, and these can be booked through a Parents Evening booking system called School Cloud.

The School Cloud is now live and will remain open until 2pm Monday 18 March.

If you have questions that you or your child would like answered, they can note these in their planners and direct them in person to the staff member on the evening. Alternatively, please feel free to email subject teachers or Mr F Vaughan.

There is a guide to this system attached to this letter. If you require any further assistance with getting onto the system or making appointments, please contact Mr Vaughan.

Yours Faithfully
