The Sprint vs the Marathon mentality

Sprint

- Starts revision at Easter Year 11
- Encourages a last minute dash
- Can create a feeling of panic

Marathon (with a final sprint)

- Revision happens throughout the course
- Lots of mini tests
- Develops a culture of constant revisiting throughout GCSE
- Prepare to perform
- Creates a feeling of being in control

Stamina has to be developed over a longer period of time

How?

Revision Matters
