Dear Parent/Carer,

RE: ARTS AWARD AND ARTSMARK

We are delighted to inform you that your child has been chosen to complete Artsmark and Arts Award within the City of Peterborough Academy.

Currently, the Academy holds the Artsmark Silver award and we are aiming to maintain that award throughout this academic year. The Bronze Arts Award qualification is a Level 1 Award in the Arts.

Your child will develop their love of The Arts by taking part in a range of creative activities and workshops such as pottery, music, theatre, film, painting, weaving, martial arts and many more. We have secured a range of external practitioners to deliver bespoke workshops that will widen our students' experiences within The Arts and plan on taking trips to shows, theatres and art galleries to broaden their experiences when restrictions allow us to do so.

Artsmark and Arts Award will run simultaneously, and your child will be expected to attend one lesson every week. Due to the nature of the course, Year 7 and 8 students will have a lesson allocated during the school day. Year 9 and Year 10 students will be asked to attend the following every week:

Year 9: Thursdays 2:30-3:30
Year 10: Tuesdays 8:45-9:45

Your child will build a portfolio of evidence through exploration of The Arts, showcasing their talents and progress through a variety of outcomes and performances.

We are really looking forward to starting this exciting opportunity after the Easter holidays. If you do not want your child to participate, please can you contact the Academy before the end of term.

Yours Sincerely

Miss N Gutteridge
