

RE:NTR/ALA/Y7TeamBuildingDay

09 July 2021

Dear Parents/Carers,

Re: Y7 Team Building Day/Race for Life– Monday 12 July 2021

We fully understand that it has not been a normal year for anyone, and Year 7 students have not only missed out on transition activities from Year 6 into Year 7 but also on the normal Activities Days that we at COPA have been unable to run this Summer.

To continue to support our students moving into Year 8 where they will be experiencing a more normal school day without the bubble system (Government guidelines dependent), and to further cement some of the character work they have been working on, we are running a Team Building morning on Monday 12 July.

Students will work in their tutor groups alongside their Tutors and our Year 11 Sports Leaders to overcome challenges presented to them.

The aim is to development their skills in leadership, resilience, listening, and team work as well as to have lots of fun!

The morning will be completed with an awards ceremony to recognise those students who have **“worked hard and been kind”** and followed after lunch by students completing their 3K or 5K Race for Life.

Please ensure that your child comes to school dressed in their full PE kit on this day with a water bottle together with weather appropriate clothing e.g. sun cream, a hat and waterproof jacket.

Please do not hesitate to contact us if you require any further information regarding this activity.

Key Contacts

Mrs. N Treacy, Deputy Principal – NTreacy@cityofpeterboroughacademy.org

Miss V. Foulkes- Arnold (Head of Year 7) – vfoulkes-arnold@cityofpeterboroughacademy.org

Your Sincerely,

**Nicola Treacy
Deputy Principal (Quality of Education)**

**Vicky Foulkes-Arnold
Head of Year 7**
