Good Morning all Parents & Carers

Firstly, a huge thank you to all students for returning so positively for the new term ahead. It has been a pleasure welcoming them back this week.

I have been asked by the Local Authority to pass on this information to you.

Peterborough has worked very hard in establishing a 'walk-in' centre for vaccinations of 12-15 year olds. As you may know, currently in most authorities, they are only available for pre-booked sessions.

The link below will take you to the information on these walk-in centres:

<https://www.cambscommunityservices.nhs.uk/news/ccs-news/2021/11/03/walk-in-covid-19-vaccine-service-launches-at-queensgate-shopping-centre-peterborough-for-12-15-year-olds>

In summary:

- The centre is in Queensgate
- They are on the site of the old Next store
- Saturday & Sunday 8:30am - 4:00pm
- Thursday 4:30pm - 7:30pm

Currently, the vaccination take up in the 12-15 age category is very low, and the Local Authority are keen to improve the take up across this age group in the city.

Kind Regards

Mr B Pearce
Principal
