Access Accountancy – Virtual Work Experience

The Access Accountancy programme is designed to deliver real change and welcome talented, ambitious young people to the profession from all backgrounds. The programme is in line with Grant Thornton's purpose and is part of our commitment to achieving social mobility across the UK. The programme we are offering is a four-day virtual work experience committed to providing work placements to students from diverse backgrounds and to generate interest in accountancy.

Applications are now open, and I would really appreciate if you could circulate this message to your wider teams and network to forward on to anyone who may be interested. For anyone who is interested they can apply and find out more from: [Grant Thornton Trainees | Access Accountancy Virtual Work Experience: April 2022 – All locations \(Year 11, 12 & 13 students\)](#)

Joining the Police Force

Anglia Ruskin University has proudly partnered with police forces across the East and South East of England, and London to recruit and educate new police officers through the new routes that aim to further professionalise policing as a career by raising educational outcomes.

It's a career with a three year fully funded route

The three year fully funded on the job [Police Constable Degree Apprenticeship](#) route allows individuals to embark on an exciting career like no other. Whilst working towards a fully funded degree, they'll earn a competitive salary and make a difference

to their local community. They will be a police officer from the day they join, working alongside experienced officers whilst practically applying their learning.
