Dear Parents/Carers

Y11 Parents Evening 4pm – 6.00pm Wednesday 23 March 2022

Following the recent PPE exam series Year 11 students sat in February, a report detailing results and latest teacher predicted grades will be released as a report on Wednesday 23 March.

We will be running a Parents Evening on the same day from 4pm until 6.00pm, where parents can speak to individual subject staff about how students can best prepare for summer exams. This will be carried out virtually through the parents evening booking system called School Cloud. This system allows you to book 5-minute appointments to speak virtually with subject teachers from your phone, tablet or computer.

The system will be open for you to book appointments from 9am on Wednesday 9 March 2022.

Please be aware that the nature of any system such as this means any conversation, we have is limited to a 5-minute session. This may mean that it feels more like a one-sided feedback session with the staff member as opposed to a discussion. It may also mean the conversation is cut off abruptly.

If you have questions which you or your son/daughter would like answered – they could jot them down in their planners and direct them in person to the staff member. Alternatively, please feel free to email subject teachers or Mr Vaughan with more personal queries and they will reply when able. There is a guide to this system attached to this letter. If you require any further assistance with getting onto the system or making appointments, please contact Mr F Vaughan or Mrs N Treacy.

Kind Regards

Mrs N Treacy
Deputy Principal (Quality of Education)

Mr F Vaughan
