

## **16+ Boys and Girls Football Academy Open Event**

We have been running a boys Football Academy & Educational Scholarship in Peterborough since 2015, which combines training full time and studying a BTEC in Sports studies.

The Football Academy & Educational Scholarship has been rated good by Ofsted recently which is something we are very proud of. We run externally at Netherton united FC, The Grange, PE3 9ES.

More about the course can be found here - <https://onetouchfootball.co.uk/more-about-the-scheme/>

From September 2022 we are also launching a girls Football Academy & Educational Scholarship which will run alongside the existing course.

We have both boys & girls open events on Monday 4th April.
