24 March 2022

Dear Parents/Carers

**Y9 Parents Evening 4pm – 6pm Wednesday 30 March 2022**

We are delighted with the way your son/daughter has approached their recent assessments. Staff have now marked these assessments and full reports will be published and given to students to take home on Wednesday 30 March.

To provide parents and students with an opportunity to discuss current progress and the most recent report, we will be running a Parents Evening on the same day - Wednesday 30 March 2022 from 4pm until 6pm, where parents can speak to individual subject staff. This will be run virtually through a parents evening booking system called School Cloud. This system will allow you to book 5-minute appointments to speak virtually with subject teachers from your phone, tablet or computer.

**The system is open for booking now, please see the link below:**

Please be aware that the nature of any system such as this means any conversation, we have is limited to a 5-minute session. This may mean that it feels more like a one-sided feedback session with the staff member as opposed to a discussion. It may also mean the conversation is cut off abruptly.

If you have questions which you or your son/daughter would like answered – they could jot them down in their planners and direct them in person to the staff member. Alternatively, please feel free to email subject teachers or Mrs Fleming with more personal queries and they will reply when able. There is a guide to this system attached to this letter. If you require any further assistance with getting onto the system or making appointments, please contact Mrs Fleming or Mrs Ferrara.

Kind Regards

Mrs N Treacy  
Deputy Principal (Quality of Education)

Mrs E Fleming  
Head of Year 9
