

VIRTUAL EVENTS WITH THE BRITISH ARMY

HEAR MORE ABOUT ARMY CAREERS AT ONE OF OUR UPCOMING VIRTUAL EVENTS

Have you considered a career in the Army but unsure where to start? Our virtual events are the perfect place for you to explore the roles available in the Army.

Presented live by a serving soldier, you will experience an in-depth presentation about the area you are most interested in, have the opportunity to ask any questions to our presenter and take part in interactive polls.

We run regular career-focused presentations alongside exploring Army life, diversity and sports & adventurous training amongst others.

Registering for one of these events is easy - just scan the QR code below and you can see all of our upcoming presentations where you can register for the one that interests you the most.

We look forward to seeing you at one of our sessions in the near future
