Dear Parent/Carer

Re: Key Stage 3 (Year 7, 8 and 9) Assessment Week– 21st– 25th November 202

It is important for us all to know how your son/daughter is progressing in their academic studies at school. This information will give you and them an idea as to what they need to do moving into the Spring Term and for us, will inform our planning.

Students will be given assessment tasks to complete in most of their subjects throughout the week beginning Monday 21st November. These will be in their normal lesson time.

Students will be assessed on what they have learned so far this school year. Any revision materials required will be provided by staff but looking over their notes in their exercise books should suffice. In addition to anything provided, all students have access to GCSEpod, Maths watch, The Oak Academy and BBC Bitesize. All these online resources will be helpful when revising for exams going forward.

It is important that your son/daughter tries their best in these assessments, but they should not feel anxious about them. If your son/daughter does feel anxious, please encourage them to speak to their subject teacher or their tutor about this.

Thank you in advance for your support. If you require any further information, please contact the Academy.
