# CAREERS @ COPA

---

## Hello!

Firstly, I'd like to begin by introducing myself, my name is Mr Maudsley and I am the new Careers Lead at City of Peterborough Academy. I have joined the school from another Greenwood Academy Trust school and I am excited to be working with you all in the near future.

## What is my role at CoPA?

During my time at CoPA, I will prepare students for their future career path. I am primarily responsible for overseeing the careers curriculum within the school. I will be organising a wide range of events involving employers, colleges and national organisations to ensure that all students are aware of each opportunity that is available to them by the time that they leave us. I will be working with all teachers and support staff throughout the school to ensure that students receive appropriate and effective careers guidance, focusing on preparing them for future employment and further education, If you have any queries, please do not hesitate to contact me.
