Now is the time for pupils to make their preferred selections. Please discuss with your child their preferred choices, considering the type of activity and the costs* involved, as well as selecting trips that are for the relevant year group. Then select a 1st, 2nd and 3rd choice before submitting these selections.

*All costs are approximate at this stage. Please click on the following link to complete this process:

After ½ Term pupils will be allocated into activities based on the previous criteria agreed; those with better attendance and behaviour since Easter will be placed first. All students will be offered an activity. Once allocated, this will be communicated to parents and pupils and further information about the allocated activity will be given. We must stress that all payments for trips will need to be made within the deadline communicated at this time, and before the day of the event.

Hopefully this will be a positive way to finish the year and celebrate their time at CoPA this year.

Many thanks,
Dean Baines
