Introduction

It is the responsibility of the head of centre to ensure that City of Peterborough Academy has in place for inspection a written conflicts of interest policy that must be reviewed and updated annually. This policy confirms that City of Peterborough Academy:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units (This requirement also extends to centre staff conducting internally assessed or externally assessed Speaking, Listening or Oracy components/units)

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how City of Peterborough Academy manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to Collect any declaration of interest from All academy staff & invigilators to identify and manage any conflicts of interest

Declaration process

A hard copy centre declaration of interest form is sent to centre staff identified in September. Completed forms are returned to the Exams Officer by an internal deadline.

Managing conflicts of interest

A COI log is maintained and any potential conflict declared by centre staff is centrally recorded on the log. Awarding bodies informed when applicable. This is completed prior to the entry deadline of any series the COI relates to.

Roles and responsibilities

The role of the head of centre is to ensure:

- conflicts of interest are managed according to the requirements in *General Regulations for Approved Centres* (5.3)
- internal records are maintained and that the records include details of the measures taken to mitigate any potential risk to the integrity of the qualifications affected
- the records are available where they may be requested by a JCQ Centre Inspector and/or awarding body staff
- the records are retained until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later

- that entering members of centre staff for qualifications at this centre is as a last resort in cases where the member of centre staff is unable to find another centre
- that proper protocols are in place to prevent the member of centre staff having access to examination materials prior to the examination and that other centre staff are briefed on maintaining the integrity and confidentiality of the examination materials
- that during the examination series the member of centre staff is treated in the same way as any other candidate entered for that examination, does not have access to examination materials and does not receive any preferential treatment

Additional responsibilities:

Ensure that centre staff are aware of requirements to declare any interest. Ensure that declarations are recorded/logged as potential Conflict of Interest.
